

## **JOB OPENING**

### **Construction Site Manager**

Northcentral Construction is seeking a skilled and experienced **Construction Site Manager** to join our exceptional team. As a Construction Site Manager, you will play a crucial role on the job site, ensuring the safe and efficient delivery of exceptional projects.

Based in Fond du Lac, WI, Northcentral Construction is a reputable General Contractor that places utmost importance on the success of our clients, employees, and subcontractors. As a valued member of our team, you will work alongside professionals who share a common goal of building exceptional projects while prioritizing safety and customer satisfaction.

Our Site Managers play a critical role in ensuring jobsite safety by enforcing company policies, implementing preventive measures, and documenting incident reports. They are responsible for communicating with subcontractors, collaborating with the Project Manager to optimize project efficiency, and providing direction to on-site crews to ensure project adherence to specifications. Additionally, Site Managers represent the company at onsite meetings, facilitate progress meetings, troubleshoot coordination issues, interpret plans to subcontractors, write daily job reports, review shop drawings, and prepare purchase orders for materials. They work closely with the Northcentral Leadership Team to schedule workers and equipment, procure necessary materials, monitor project progress, and ensure project punch lists are completed to customer and architect satisfaction. Occasional overnight travel may be necessary as our projects span across the state of Wisconsin.

In addition to our team-centered work environment, we offer a range of benefits, including an aggressive salary that reflects your experience and capabilities, a bonus structure based on both company and individual performance, a comprehensive Single/Family Medical-Dental-Vision Plan, a Health Reimbursement Arrangement (HRA), a 401(k) Retirement Plan with an employer match, paid vacation and holidays, paid training and tuition reimbursement, team and family outings, and a technology package. Moreover, when traveling for work, the company covers lodging expenses and provides a daily per diem.

To be considered for this position, a minimum of five years of construction management experience or equivalent is required, along with exceptional written and verbal communication skills. You must possess self-motivation, strong multitasking abilities, excellent time management skills, and a commitment to providing superb follow-up. A desire to be part of a growing construction company and contribute to its success is also paramount.
